MEMORANDUM FOR:

Dr. Henry A. Kissinger

Assistant to the President for

National Security Affairs

SUBJECT

: US Intelligence Capabilities to Detect Communist Reactions to US Courses of Action in North Vietnam

- 1. The attached memorandum responds to your request of 7 May for an assessment of US intelligence capabilities to detect Communist reactions if the US moves to blockade or mine the port of Haiphong and bomb land routes from China.
- 2. The paper focuses on reactions involving military forces and supplies, and does not address particular diplomatic moves that might bear on the upcoming Presidential visit.
